Venetian Golf and River Club Social and Dining Committee
October Minutes
The October 12th meeting was called to order at 10am. Members attending were: Linda Cautero, Diane Bazlamit, Barbara Bracco, Denise Waite-Milykovic, Dee Glatz, Kathleen Pickering, and Carol Fish. Management attending were Scott Kissell, Tom Nurney, Chris Vignolini.

Old Business:

The Sunday brunch will continue until 1:00pm.

Banquet business is important. It was felt that we need increased outside banquets to help cover costs.

Events:

The Sunday brunch is still going well.

The success of the Wednesday and Friday dinners is related to the specials offered for the evening. Specials are more likely to draw diners and should be advertised in advance.

Upcoming Events:

The Halloween menu was discussed. The Thanksgiving dinner is not filling up as quickly as expected. Some members felt that email blasts concerning events are not being read. There was a concern about hosting a wine dinner on Dec.28th due to the nearness of the New Year's celebration.

Instead of a ladies holiday luncheon, a holiday cooking demonstration will take place on Dec. 14th.

The meeting was adjourned at 11:45.
