Old Business

A. JW presented the PBAC request to the VCDD board on 2/25/2019 for $500.00 so that the FPL petition can be submitted with an engineering study. The VCDD board approved the monies so that the petition can be submitted once our engineer is able to finalize his report.

B. PBAC forum has been scheduled for 4/1/2019 @ 4:00 p.m. per DP

C. SL spoke with a representative from Sarasota National regarding maintenance. There is no yearly maintenance cost but every 5 years the courts will need to be resurfaced with a cost of approximately $3000 per court.

New Business

A. A discussion on the possible purchase of the Welcome Center ensued & it was decided that in the near future the committee will discuss further all of the benefits & possibilities of owning the Welcome Center with the VCDD board.

B. DP will send out an e-blast to all VGRC residents stating that all questions regarding PB should be sent to JW on the VCDD email site. The questions will then be categorized & divided among the PBAC for a response to residents at the Forum on 4/1/2019.
